Dear Friends and Benefactors,

Catholic Foundation for Brooklyn and Queens has been true to God’s purpose for his Church and his people—doing the good works God expects us to do. You have been an integral part of these good works, and have enabled the Foundation to build bridges with the communities we serve. Your gifts of time, talent and treasure have helped the Foundation succeed in many program areas—Youth Evangelization, Faith Formation, Vocations, Migration Services, Catholic Charities, Care of Our Priests, Hospital Chaplains, Parish Support, and our Grants Program. These programs are made possible through your financial support of the Annual Catholic Appeal, the Generations of Faith Capital Campaign, and the Donor Endowment Program. I hope as you read the 2018 Impact Report, that you will begin to grasp the breadth of all that the Foundation is accomplishing and that you are able to see your own reflection in these pages.

This past year has certainly been a challenge for the Catholic Church locally, nationally and internationally. It is during these challenging times that we need to proclaim all the good works that the Church has done, and continues to do, no matter the obstacles. This is when we need to both humbly and proudly tell our stories wherever and to whomever we can. This impact report provides a glimpse of those stories made possible by your generosity to the Foundation—and I hope you will be as proud as I am of the work we have accomplished together. Your faith in your Church has been the Foundation’s rock on which we have built our programs that change thousands of lives every day.

We are especially proud of our Catholic Youth Ministry Initiative and the 4,000 youth who have participated in programs in 90 parishes. More parishes continue to create programs in their communities, and they are as unique in structure as the populations they serve. Generations of Faith has provided the funding for this vital ministry and that is why the payment of your pledge to the campaign is so important—you are helping us keep the promises that were made to parishes who

desperately wanted to have a youth ministry program in their parish and couldn’t do so without your financial support.

On behalf of Catholic Foundation for Brooklyn and Queens, I would like to extend my heartfelt gratitude to our donors, friends and partners for your steadfast support and dedication to the mission of the Church in Brooklyn and Queens. It is only through your generosity that we can continue making a direct impact on Catholic ministries and, more importantly, serve God’s people. I also want to thank our Board of Directors and staff for their efforts throughout the year.

With each turn of the page, I pray your faith in us as your Catholic Foundation will grow and you will continue to be as generous as you can be, knowing that we are being good stewards of your treasure.

Sincerely,

FROM THE VICAR FOR DEVELOPMENT

Catholic Foundation for Brooklyn and Queens, much like our beloved Brooklyn Bridge, stands tall as a symbol of connections in our community. These connections take many forms, from a connection between a Youth Minister and a troubled teen seeking spiritual guidance, a parent seeking financial support to provide a quality Catholic education for his or her child, an elderly priest seeking care for health complications, an immigrant seeking help for staying in this country or simply a bridge connecting our communities to our faith.

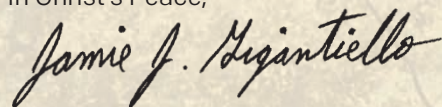

When we look at the Brooklyn Bridge, we are struck by its beauty, expansiveness and reach. Each donation to Catholic Foundation furthers our reach, as it helps to assist thousands of people and strengthen the bridges we build within the community. We hope that the Annual Impact Report will enable you to better understand the ways your donation has made a difference in the lives of others, and will also show how interconnected the works of the Foundation are with the programs and ministries that exist throughout our Diocese. Whether you are a supporter of our programs, a beneficiary, or both, you can share in the joy of spreading the Gospel through our Catholic community.

You will see on these pages the programs spearheaded by Catholic Foundation, which include Generations of Faith, our Catholic Youth Ministry Initiative, Annual Catholic Appeal, Catholic Migration Services, and our Endowment funds. Within each of these initiatives are countless programs and ministries that are funded and supported by the Foundation's efforts, which are keeping our Catholic Church alive and vibrant in Brooklyn and Queens.

This work can not be accomplished without your generous and continued support. From the bottom of my heart, I thank you.

God bless you! Please know that you will be remembered in my prayers, please remember me in yours!

In Christ's Peace,

Rev. Monsignor Jamie J. Gigantiello

Vicar for Development, R.C. Diocese of Brooklyn

The mission of Catholic Foundation for Brooklyn and Queens is to assist critical programs, institutions and ministries that further the Church's mission in Brooklyn and Queens through financial support and counsel while developing and administering Foundation resources prudently and consistent with Catholic teachings.

Generations of Faith

PROMISES KEPT!

For over 150 years, the Diocese of Brooklyn has embraced and celebrated the diversity of its communities, families and faithful. Generations of Catholics have been raised in our tight-knit neighborhoods, celebrating their Catholic faith at our many parishes, and building our church for the future. We have been richly blessed. With those blessings comes the responsibility to share with future generations all that we have received. Due to the efforts, enthusiasm, and dedication of donors across Brooklyn and Queens, the Diocesan-wide Generations of Faith capital campaign saw sustained success in 2018 as it surpassed its original \$80 million goal.

YOUR GENEROSITY AT WORK

Payments on Generations of Faith pledges are directed back to parishes for improvements, renovations and restorations, as one of the campaign's primary case components. Many projects have been completed, but many more remain in progress in the 130 parishes where work has begun.

Here are just a few examples of the impact your donation has had across our Diocese!

ST. ANDREW AVELLINO PARISH

35-60 158th Street
Flushing, NY 11358

Goal \$1,000,000 • Pledged \$1,426,302 • Collected \$1,090,157

St. Andrew Avellino has been able to completely replace the HVAC system in the Church as well as install a new HVAC system in the Academy Cafeteria, which is used by all parishioners and organizations of the parish. Another big project that is just beginning is the restoration of the Church's original 1940 Casavant organ.

OUR LADY of PEACE

522 Carroll Street, Brooklyn, NY 11215

**Goal \$90,000 • Pledged \$140,540
Collected \$91,340**

Our Lady of Peace needed to install a ramp for the elderly and people with special needs so they could have access to the Church. Funds from Generations of Faith helped make this a reality.

OUR LADY of GRACE

430 Avenue W
Brooklyn, NY 11223

**Goal \$485,000
Pledged \$518,303
Collected \$320,954**

Renovations made with
Generations of Faith funds.

VISITATION of the BLESSED VIRGIN MARY

98 Richards Street, Brooklyn, NY 11231

Goal \$140,000 • Pledged \$377,602 • Collected \$152,368

Funds from Generations of Faith brought hope and an assurance that a faith community with a viable and growing future will exist for the last Roman Catholic Church in the Red Hook neighborhood of Brooklyn. Parishioners and friends were motivated to participate in the campaign with the firm belief that the mission of Visitation is a call from God. Raising the faith of a people called together for one mission created a spiritual atmosphere – parishioners were ready to give and to serve. Funds will be used for the much-needed painting, flooring and refurbishing of the church and allow Visitation the ability to host events and to launch projects that will continue to promote evangelization in the area.

Catholic Youth Ministry Initiative

Organized in partnership with the Secretariat for Evangelization and Catechesis, our groundbreaking Catholic Youth Ministry Initiative remains strong! Thanks to funding from Generations of Faith, the Initiative has grown to 90 parishes in Brooklyn and Queens. This extraordinary program plays a critical role in deepening the faith of our youth and ensuring the future of our parish communities. Here are just a few examples of youth programs that are flourishing across the Diocese.

Saint Rose of Lima

St. Bartholomew

St. Mark and St. Margaret Mary & Guardian Angel

SAINT ROSE of LIMA | Rockaway Beach

Saint Rose of Lima's youth group reflects the culturally and ethnically diverse young community of Rockaway Beach. Since beginning the Catholic Youth Ministry Initiative in 2016, Saint Rose of Lima youth have participated in retreats, prayer and worship experiences, service projects, youth leadership development, and faith study and sharing. By fully and actively participating in the life of the parish the youth are empowered to share their unique gifts with the wider community by ministering at the monthly Youth Mass, leading an annual fundraiser, and serving the wider Rockaway community. Through support, friendships, and mutual respect the youth grow closer to Jesus and His Church.

ST. BARTHOLOMEW | Elmhurst

At St. Bartholomew Parish in Elmhurst, two youth ministry programs have been established. Edge serves youth from 5th to 8th grade, and Fuse serves high school youth. At a Fuse or Edge night, youth will have the opportunity to socialize and meet new people, play games, praise and worship through songs, engage in conversation about faith, and listen to talks in a safe environment. Throughout the week the youth also have the opportunity to come and play sports at open gym, do their homework and have access to help at study club, and grow in scriptural knowledge at a priest-led bible study. Throughout the year the groups participate in Diocesan events.

ST. MARK/ST. MARGARET MARY & GUARDIAN ANGEL Sheepshead Bay, Manhattan Beach, Brighton Beach

As a multi-parish youth minister for the past five years, Michael Davis is quick to point out that he has seen the spiritual and emotional difference youth ministry has made in the lives of the youth of both parishes. The youth are now more active in parish life, attending events and participating in Mass. It gives Michael great joy to know he is helping guide them on their journey through life. The ministry has given the youth a supportive community where they are both welcomed and valued. Youth ministry has given these young people a way to express themselves and their faith in ways that would not have happened without the program.

YOUTH MINISTER SPOTLIGHT: PETER DAMOUR

For the past seven years, Peter Damour has been recognized in his parish as a “humble hero” dedicated to imparting the Catholic faith and inviting youth to understand and apply the power of spiritual teachings in their everyday lives.

Peter’s journey began at the tender age of 12 years old when his family moved to Queens. In service to his new church, St. Clare Parish in Rosedale, Peter joined the choir, youth group and served as an altar server until the age of 18.

In 2016, Fr. Andrew Struzzieri appointed Peter as the first Youth Minister of St. Clare. With the presence of a new Youth Minister, the coordination of many successful youth activities proved to be an exciting development and solidified the importance of youth ministry work as an active and fruitful field.

Peter serves as a liaison between the church and community-based organizations with the goal of improving communication, engagement and participation of the church community. As an advocate for the youth, Peter has educated the congregation about goals, concerns, and the needs of youth in the Parish. He works to further nurture and support his pipeline of diverse youth and partner with them and their adult allies to advocate for their needs and to champion the youth ministry program. He loves seeing youth take their rightful positions in the Church, serving as ushers, greeters, cantors, or readers with the understanding that they are valued members of the church community no matter their age.

*“Each one of you
has to be God’s
microphone.”*

— Oscar Romero

In 2017, Peter began assisting in the planning of the Kujenga Leadership Conference and serves on the core team for the Diocese of Brooklyn and Queens’ Vicariate for Black Catholic Concerns, (VBCC). As a proud Haitian-American, he has similarly assisted the Diocesan Haitian Apostolate with their youth events. Peter is currently enrolled in the City University of New York at Queens College, where he is finishing up his B.A., in hopes of becoming a full-time educator. He is currently an active substitute teacher at several Catholic Academies within our Diocese in Brooklyn and Queens.

BLESSED VIRGIN MARY HELP OF CHRISTIANS | Woodside

The Catholic Youth Ministry Initiative at Blessed Virgin Mary Help of Christians in Woodside is rooted in leading teens closer to Christ through prayer, worship, and community. Lauren Gentry, Pastor Fr. O’Connor and Core Team and Peer Leaders, all work as vessels of the Holy Spirit to walk with the teens in their faith and lead them to a deeper encounter of the immense love God has for them. This is accomplished through weekly Youth Nights, young men’s and women’s groups called Warriors and Daughters of the King, retreats, Bible studies, talking with the teens and their families, and everything in between.

ST. CLARE | Rosedale, Queens

“The youth are the future of the church and that future is now,” exclaimed the Rev. Andrew L. Struzzieri, aka Fr. Andy of St. Clare Parish in Rosedale Queens, “their involvement is absolutely essential to the well-being of the church community.”

The Catholic Youth Minister Initiative enabled St. Clare to engage their first youth minister in 2016 and kicked off the youth ministry program at the church. Under the guidance of Youth Minister, Peter Damour, the youth program meets on Friday evenings at 7:30 and is active and electric. Peter serves as a liaison for the church congregation and community organizations, increasing communication and participation. Youth in the program are learning together about Christ and are establishing trust and connection within the church community and the program is thriving.

THINGS!

The 2018 Annual Catholic Appeal provided donors with an opportunity to answer the call of Christ by helping spread His Gospel and building His Kingdom here in Brooklyn and Queens. Those who are without shelter, malnourished, those without access to a Catholic education, men discerning the priesthood and those who are ill, and dying – all were positively impacted by the generosity of donors to the 2018 Annual Catholic Appeal. For all, participating with a gift to “the Appeal” is a way to live the faith contained in our hearts, and for many it is also a way of giving back for the blessings they have received from God.

Catholic Migration Services

Catholic Migration Services is dedicated to “welcoming the stranger in our midst,” by empowering underserved immigrant communities regardless of religion or ethnicity. We provide high quality legal services, education, and advocacy to immigrants to advance equality and social justice in a changing and diverse population. Assisting immigrants with immigration legal services, tenants in Queens with housing legal services, and low-wage workers with employment legal services

In 1971, the Most Reverend Francis J. Mugavero established the Catholic Migration Office in response to the 1969 Papal Instruction *Pastoralis Migratorum Cura*, written by His Holiness Pope Paul VI on the Pastoral Care of People who Migrate. The office was the first of its kind in the United States and sought to serve the needs of immigrants and refugees living in Brooklyn and Queens.

Since then, the agency has served tens of thousands of immigrants regardless of race, religion, ethnicity, national origin, or immigration status. Those served represent at least 167 countries where individuals collectively speak more than 80 languages. From a small storefront office, Catholic Migration Services has grown to become one of the city’s most respected and effective organizations serving immigrants, with offices in Downtown Brooklyn, and Sunnyside, Queens.

Catholic Migration Services is committed to collaborating with and serving the diverse ethnic ministries of our community through pastoral services for immigrants. We preserve the cultural traditions and heritage of our communities by ensuring ongoing fellowship and spiritual growth in the life of the Church.

“When our father passed away, we thought of ways of honoring him. We felt that it was most appropriate for us to honor his life with what was most important to him, which was our future and the education that would provide us the best future

possible. We’ve had a great experience with the Foundation, everyone has been extremely helpful and patient through our decision-making process as we continue to grow our fund. It has been a privilege to be able to help deserving students as well as our parish.”

This special fund will allow students today to have the same opportunity of a Catholic education that Carlo and Cristina were able to experience.

How do I create an ENDOWMENT FUND?

Here are the basic steps Catholic Foundation will guide you through:

- 1 Outline your personal **philanthropic goals** and intentions.
- 2 Determine how much you wish to **invest in your cause** now and/or through a simple designation in a will or trust to establish a donor endowment fund.
- 3 **Name the fund**
- 4 **Partner with Catholic Foundation for Brooklyn and Queens** to establish the gift agreement, donor intent and distribution of funds.
- 5 Establish your fund with an initial gift and/or translate your charitable intentions into a **lasting legacy** through your will or trust.
