There are few things in life as dependable as the sunrise. Did you know we can give you something that may be just as reliable and give you benefits today, tomorrow and the rest of your life? Let's shed some light on the amazing benefits of a charitable gift annuity. And like the sun rising each morning, your gift annuity payments will return to you day after day, year after year, your whole life.

Here is how it works:

- You fund a gift annuity by giving cash or transferring stock to us.
- We pay you back at a high fixed annual rate of your funding amount.
- You receive an income tax deduction this year.
- If funded with stock, you also receive capital gains benefits.

The payment you receive will never change no matter what the economy does, or how long you live.

If your life could use a little more sunshine, call or email us to learn how a gift annuity can fit into your plans. We can tell you your exact payment rate and tax benefits with no obligation, and of course, it is at no cost to you.
