Are you planning for retirement, but haven't set a retirement date? Many annuities and deferred income plans require payments to begin on a fixed date. Often you have to start taking income before you really need it and this could mean higher taxes. What if you could be flexible about your retirement date and defer unneeded funds for the future?

If you are looking for a flexible retirement plan and desire to help a charity, a flexible deferred gift annuity may be just the solution for you. You can plan for retirement now and decide later when you want to begin receiving payments. Your payments will reflect rates based on your age and when you elect to begin receiving income. Better yet, you will receive a current charitable income tax deduction for making a gift to Catholic Foundation for Brooklyn and Queens, your parish, your Catholic school or academy, or any mission of the Diocese of Brooklyn today!

For more information about creating a flexible deferred gift annuity, please visit our website at www.cfbqlegacy.org, call us at 718.965.7375 x1616 or email us at legacy@cfbq.org.
